# Comprehensive Personality Profile

## Section 1 – Your Three Core Personality Dimensions

### Report Section 1 (Outlook Narrative)

#### **Adjustable**

You are a very adaptable person who can easily change your perspective based on the situation. You are very flexible in the sense that you have a natural ability to adjust between detailed information and high level information, as needed.

### Report Section 2 (Disposition Narrative)

#### **Shy**

You are a very casual and even-tempered person. You are often very laid back and you just seem to go with the flow as things come up in your day to day activities.

To compliment your even-tempered personality, you find ways to channel your energy in a way where you can remain respectful and show good manners towards others.

In addition, to your even-tempered and respectful personality, it is very important to you that you maintain your independence.

Putting it all together, you would be described as an independent self-sufficient person who places a great deal of value on treating others with respect. On a scale of 1 to 5, with 1 being

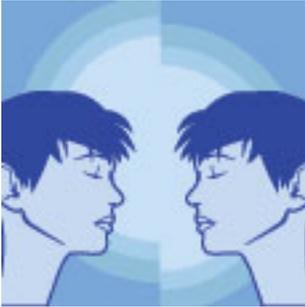

### Report Section 3 (Emotional Expression Narrative)

#### **Quiet**

You are generally thought of as a very quiet and private person. You are reserved and are not comfortable sharing your feelings with others.

## Report Section 4 (Personality Category Summary)

### Personality Scoring System Category:

Shy Quiet Adjustable

### Personality Scoring System Insights:

When this person is out and about they are generally more comfortable in the background and when placed in the center of attention may become very uncomfortable. This person is generally more on the shy side.

Finally, this person has a more repressed emotional release and tends to hold emotions inside.

A person that adjusts between a global and detailed outlook as needed and shows flexibility when evaluating situations by assessing the "Big Picture" and as needed going into the "Details"

### Fun Personality Scoring System Category:

Gentle Reflective

### Fun Personality Scoring System Insights:

You are a gentle reflective person who tends to hold your emotions inside. You would also consider yourself to be more on the shy side. When placed in the center of attention you become very uncomfortable.

## **Section 2 – Your Personality Modifiers**

### **Report Section 4 (Attitude Narrative)**

You tend to be more the pessimist than the optimist. Often times you will worry. You will generally think of the glass as being half-empty instead of half-full.

### **Report Section 5 (Thought Process Narrative)**

You are a practical and logical person who connects your thoughts very naturally. In instances where you have to explain something or teach someone you take them step by step through the process without assuming that they know what it is that you are talking about.

### **Report Section 6 (Intellect Narrative)**

You are a very controlled, collected and cool-headed person. Your thinking pattern is more deliberate and planned. With your deliberate, planned and controlled thought process, you

You are not the most detailed person. In fact, there are times when you may be careless.

You are a very productive, efficient and sensible person with a lot of common sense who has learned how to simplify and integrate your everyday activities efficiently and effectively. You do things very quickly and do not like wasting energy on unnecessary tasks.

In addition to being a very productive person you have an ability to create valid ideas. Once you come up with valid ideas, your biggest challenge is communicating those valid ideas in a

### **Report Section 7 (Tense Orientation)**

In your relationships, you tend to be adjustable and flexible, but also quietly forceful. You will generally have both fun and enthusiastic moments along with shy and gentle moments. You are not someone that dwells on the past nor are you someone that is full speed ahead into the future. You are somewhere in between into the here and now.

On the other hand, outside of your personal relationships, you want to appear more outgoing and fun towards the general public. You will generally come across with lots of enthusiasm and energy in your everyday activities.

1	2	3	4	5
Low	Low-Medium	Medium	Medium-High	High

### **Report Section 8 (Compatibility Scoring System© Rating #4 Narrative - Emotional Maturity)**

You are a very level-headed, controlled and cautious person. You plan things out when you are preparing to do things. In addition to being very cautious, you are often set in your ways. More specifically, you are consistent, reliable and dependable in a very cautious and rigid manner. By being set in your ways your emotional release is somewhat controlled. With your controlled and direct approach to life, you distribute your energies in a very slow controlled manner between the intellectual, social and physical aspects of your life.

Putting it all together, your restrained energy flow allows you to distribute your energies to the social, intellectual, and the emotional aspects of life in a very controlled fashion.
